

Riocca Instant and Freshbrew

"...Class Leading Design, Reliability and Vending Choice..."

The Riocca from Stentorfield is a stylish, state of the art drinks vending machine that combines class leading features with practicality and ease of use. This versatile machine provides your customers with a superb range of delicious instant and freshbrew hot drinks, plus a selection of refreshing cold drinks, both still and carbonated.

Key Riocca features:

For the customer:

- Superb choice of freshly made hot and cold drinks
- Simple, user friendly operation with an electronic message display
- Mild/Normal/Strong option for tea and coffee selections
- Large 600 cup capacity to accommodate the busiest locations

Key Riocca features:

For the operator:

- Quick and simple to clean and replenish
- Microprocessor control for reliability and flexibility
- Free vend or choice of payment systems
- Full audit facility at the touch of a button
- Simple price changing
- Twice daily self-clean programme

Fully Integrated Merchandising Solutions

The Riocca is styled to co-ordinate seamlessly with the complete range of food, snack and drinks machines from the Stentorfield range creating a totally integrated merchandising solution.

Visual Style To Enhance Any Location

The entire range of Stentorfield snack, food and drinks vending equipment is available in a choice of three paint finishes which, when matched with eye catching graphics from our Aqua Blue and Slate Red styles, provides visual and aesthetic impact to any location.

Machines can also be customised to complement a corporate house style or site location.

- Platinum
- Regency Blue
- Metallic Black

Branding Opportunities

Offering branded products provides strong point-of-sale impact as well as customer recognition and reassurance that keeps them coming back for more. Stentorfield machines provide the perfect platform to attract these increased sales which in turn lead to increased profits!

Large graphic areas on all machines, along with the drink selection decals, provide ample branding opportunities, increasing customer confidence and promoting sales.

Enhanced design and proven reliability

Back-lit Graphics and Drinks Menu

The Riocca features a large, stylish back-lit graphic panel which enhances both the visual appeal of the machine and its surrounding environment.

Easy to read drink selection decals help to promote the high quality drink choices available and encourage repeat usage.

Moving Dispense Head

The Riocca is fitted with a motorised dispense head which provides three different dispensing positions for hot drinks, cold drinks and hot water.

This feature prevents cross-contamination between consecutive drink selections, ensuring complete customer satisfaction.

Jug Facility

The versatility of the Riocca is extended with the addition of a jug vend facility, ideal for serving groups of people and eliminating the need for separate beverage facilities.

Choice of Payment Systems

The Riocca is compatible as standard with all of the major cashless systems. Additionally it offers both coin operated and free vend options.
